

## SR100 Label Slitter/Rewinder

### Slit and rewind labels in house for easy application

The SR100 Label Slitter-Rewinder longitudinally slits full-width, pre-cut label stock, enabling you to use your label printer's full width and maximize its output. In-house printing, slitting, and application also enables marketing flexibility, and encourages return on investment.

The SR100 is ideal for applications requiring small labels, such as lip balm, health and beauty products, and e-liquids.

### Key Features

- ✓ Slit labels at up to 197 feet/minute
- ✓ Allows for easy label design modifications
- ✓ Utilize your printer's full width and maximize output

#### Unwinder

For media as wide as 8.86",  
with a minimum slit width of 0.86"

#### Rewinder

Labels are carefully rewound  
to prepare for application

#### Slitting knives

Easily adjust knives  
to your preferred label width

#### Simple setup

Prepare your labels for  
slitting in seconds

#### Adjustable speed

Modify slitting speed  
to fit your needs
